

Key Driver Summary – H Lee Moffitt Cancer Center and Research Institute Inc

## Decision Paths: Likelihood of recommending

Notes

- Decision paths are determined using the top three Key Drivers (see previous page)
  - Circles are colored based on Top-Box responses for each Key Driver: **Top-Box**, **Not Top-Box**
  - Numbers in each circle are the average Top-Box score for the outcome question
  - Only paths with at least 5 respondents are shown
